gaia-x

REGISTERED TRADEMARK - EUIPO (European Union)

210 Serial number
018594026

111 Registration number
018594026

551 Kind of mark
Individual

550 Type of mark
Figurative

511 Nice classification - NCL
9, 35, 38, 42, 45

220 Application date
November 5, 2021

151 Registration date
March 1, 2022

180 Expiry date
November 5, 2031

540 Reproduction of the mark

541 Reproduction of the mark where the mark is represented in standard characters
gaia-x

NAMES AND ADDRESSES

730 NAME AND ADDRESS OF THE APPLICANT OR THE HOLDER

- Name
GAIA-X European Association for Data and Cloud
- Kind
Legal Entity
- Address
Avenue des Arts 6-9, 1210 Brussels
- Country
Belgium

740 NAME AND ADDRESS OF THE REPRESENTATIVE

- Name
CALYSTA
- Kind
Legal Person (Association)
- Address
Lambroekstraat 5A, 1831 Diegem
- Country
Belgium

CLASSIFICATION

511 THE INTERNATIONAL CLASSIFICATION OF GOODS AND SERVICES FOR THE PURPOSES OF THE REGISTRATION OF MARKS (NICE CLASSIFICATION) AND/OR LIST OF GOODS AND/OR SERVICES CLASSIFIED ACCORDING THERETO

- 9

Software • Application software • Data processing software • Data and file management and database software • Computer software to enable searching of data • Computer software for application and database integration • Data communications software • Downloadable computer software for the transmission of data • Data mining software • Big data management software • Database server software • Data protection software • Computer software to enable searching and retrieval of data • Computer software for accessing, browsing and searching online databases • Privacy software • Privacy protection software • Utility, security and cryptography software • Software for network and device security • Software for ensuring the security of electronic mail • Communication software for connecting computer network users • Communication software for connecting global computer networks • Artificial intelligence software • Cloud server software • Downloadable cloud computing software • Cloud network monitoring software • Application software for cloud computing services • Cloud servers • Databases • Data banks • Computer databases • Data storage media • Recorded data files • Data transmitters • Data processors • Data carriers • Data terminals • Data storage discs • Computers and computer hardware • Computer components and parts • Data processing equipment and accessories (electrical and mechanical) • Computer networking and data communications equipment • Data communications hardware • Apparatus for the transmission of data • Interactive data transfer apparatus • Information storage apparatus [electric or electronic] • Storage apparatus for computer data • Data storage devices • Memory storage devices • Data collection apparatus • Encryption apparatus • Data networks • Data transmission networks • Data processing systems

- 35

Electronic database management services • Database management • Database marketing • Compilation of computer databases • Data management and data transcription • Data entry and data processing • Data processing verification • Compilation of data • Compilation of information onto computer databases • Advertising, marketing and sales promotion • Consulting and assistance services in advertising, marketing and sales promotion • Public relations • Advertising for databases and cloud services and cloud hosting services • Product demonstrations and presentations • Trade and commercial exhibition services • Retail and wholesale services in the field of computer hardware, software, databases

- 38

Telecommunication services • Computer communication services • Provision of access to content, websites and Internet portals • Internet access services • Provision of access to data stored electronically in central files or documents • Provision of access to electronic communication networks and electronic databases and platforms • Providing access to and leasing access to computer databases • Providing user access to computer programs in data networks • Data transmission and data broadcasting • Data streaming • Digital transmission of data • Computer data transmission services • Data transfer services • Telecommunication gateway services • Transmission of data via the Internet • Electrical data transmission over a global remote data processing network, including the internet • Electronic data communications

- 42

Software design and development • IT services • IT consulting services • Programming and implementation of software • Development of computer hardware • Software as a Service [SaaS] • Platform as a Service [PaaS] • Scientific and technological services • Computer services, namely remote hosting of operating systems and computer applications • Online data storage • Data storage via blockchain • Data warehousing • Computer services concerning electronic data storage • Development of systems for the storage of data • Data encryption services • Off-site data backup • Technical data analysis services • Computer services for the analysis of data • Data mining • Analysis of large data volumes regarding the relations of the data among themselves • Data duplication and -conversion services, data encoding services • Computer system integration services • Data security services • Computer programming services for electronic data security • Design and development of electronic data security systems • Internet security consultancy • IT security, protection and restoration • Design and development of Internet security programs • Maintenance and updating of computer software relating to computer security and prevention of computer risks • Design and development of privacy software • Providing temporary use of on-line non-downloadable privacy protection software • Development, installation and maintenance of database software • Maintaining databases • Hosting of computerized data, files, applications and information • Design and development of data retrieval software • Providing temporary use of on-line non-downloadable software for importing and managing data • Compilation of data-processing programs • Compilation of computer programs • Compilation of information relating to information systems • Cloud computing services • Cloud hosting provider services • Public and private cloud hosting provider services • Consulting services in the field of cloud computing • Providing temporary use of on-line non-downloadable software for accessing and using a cloud computing network • Design and development of software for accessing and using a cloud computing network • Providing virtual computer systems through cloud computing • Cloud-based data protection services • Cloud storage services for electronic data and files • Providing virtual computer environments through cloud computing • Rental and programming of operating software for accessing and using a cloud computing network • Providing artificial intelligence computer programs on data networks • Electronic monitoring of personally identifying information to detect identity theft via the internet • Testing, analysis and evaluation of the goods and services of others for the purpose of certification • Testing services for the certification of quality or standards • Certification [quality control] • Certification services of data or messages transmitted via telecommunications • Development of systems for the transmission of data

- 45

Licensing services • Software licensing • Licensing of intellectual property, of databases and of technology • Consulting services regarding the licensing of computer software, computer programs and databases • Management and exploitation of copyrights and industrial property rights by granting of licenses to third parties • Providing authentication of personal identification information [identification verification services] • Information services relating to trading standards • Information services relating to manufacturing standards • Advisory services relating to the preparation of standards • Reviewing standards and practices to assure compliance with laws and regulations • Regulatory compliance auditing • Consultation in relation to data protection compliance • Legal compliance auditing • Legal Services

531 INTERNATIONAL CLASSIFICATION OF THE FIGURATIVE ELEMENTS OF MARKS (VIENNA CLASSIFICATION)- VCL

- 25.12.01

Surfaces or backgrounds covered wtih rays or radiating lines

- 26.11.09

Oblique lines or bands

- 27.05.21

One letter

- 29.01.04

Blue

IP OFFICE - EUIPO (European Union)

- Official status

Registered

- Status date

March 2, 2022

- Region of filing

European Union
